

Two Days Later from Europe.  
New York, May 23.  
The steamship Humboldt, from Havre and Southampton, arrived here this evening, at 7 o'clock, with 128 passengers.  
In consequence of the state of the tides, the Humboldt sailed from Havre on the 4th, three days previous to her regular sailing day. She sailed from Southampton on Monday, the 10th, and brings the London papers of that date—two days later than the advices brought by the Africa. During the first week of the voyage, she encountered strong westerly gales.  
ENGLAND.—The London Times says that a conference was held at the Foreign Office, on the 8th inst., to regulate the succession of the Danish throne, when the young Duke of Glücksburg was formally recognized as the presumptive heir. The Arctic expedition passed Cape Wrath light-house on the 29th ult.  
The steamship America, from Boston, arrived at Liverpool on the morning of the 9th.  
The steamship British Queen, from Liverpool for the Mediterranean, put into Holyhead, on Sunday, on fire. She had been flooded with water but was still burning.  
The ship Sarah Louisa, from Baltimore, arrived at Liverpool on the 9th.  
FRANCE.—Accounts from Paris are almost exclusively in reference to the approaching fête of the 10th. When the Humboldt sailed, it was fully anticipated that a proclamation, establishing the Empire, would be issued by the President on that day.  
Much surprise had been caused by an official warning having been given, by the Government, to the proprietors of the Pays, a journal which was generally considered as a warm advocate of the President.  
A steamer left Toulon on the 4th inst., with 800 political prisoners, bound for Algeria. Among them was M. Mitot an ex-representative.  
Paris Bourgeois—Paris securities rose slightly on Saturday.  
RUSSIA.—The Emperor and Empress of Russia arrived at Warsaw on the 2d instant.  
AUSTRIA.—Incendary fires have become a daily occurrence in Hungary.  
Martial law was proclaimed at Presburg on the 25th ult.  
The marriage of the Emperor of Austria with the Princess of Sidonia, of Saxony, was shortly to take place.  
PRUSSIA.—The King and Queen left Berlin, on the 6th inst., to meet the Emperor of Russia on the frontier.  
The Low Chamber had rejected the government proposition, relative to the formation of the Chamber.

Important from Sagua La Grande.  
Sigue of an American Vessel by the Spanish Government—Arrest and Imprisonment of three of the Crew—Remonstrance of the American Consul—The Captain's Protest, etc.  
Captain Clark, of brig Joseph Albion, arrived this morning, from Sagua La Grande, sends us the following statement, over his signature:—  
"The brig Lucy Watts, Capt. Watts, of Warren, Maine, while loading at the port of Sagua La Grande, was visited, by order of the Spanish Government, and one of her seamen taken out of her, on the grounds that he was a deserter from a Spanish man of war.  
The day following, the Captain was ordered to present himself at the town with two more of his crew, which he did, and these two men were also taken from him and put in prison along with the first man taken, while the Captain could get no answer to his inquiries why this was done.  
Capt. Watts applied to the American Consul, agent, residing in Sagua, and he addressed a letter to the authorities, asking that the men should be restored to the vessel, and stating that the captain was prevented from loading his vessel, and that he should make a protest against the act.  
The answer the Consul received was, that the authority which took the men from the vessel was competent to take men from the vessel of any nation, and that the men would not be sent to board again, and that if Capt. Watts made any protest, he would render himself liable to be taken from his vessel, put under arrest, and sent to Havana.  
Capt. Watts did make his protest, but when the Lucy Watts left it was not known what the result would be, though it was certain that the vessel would not be allowed to leave unless she paid all the expenses of the imprisonment of her men, as well as those mentioned in taking them from the vessel to the town, which is some 20 miles from the bay.  
These facts can be proved by all the masters of vessels then lying in the port of Sagua la Grande, and the protest of Capt. Watts was signed by some ten of them.  
(Signed) J. CLARK,  
Master of brig Joseph Albion.  
The French Minister and Hon. John Barney.  
Mr. Barney, of Baltimore, lately became entangled in a quarrel with Mr. Sartige, the French minister, at Washington, and gives a long account of the affair in a letter to the President, in reply to some complaints from the Minister. Mr. Barney states that he met Mr. Sartige at the Baltimore Club-rooms, and requested him to desist from smoking; but subsequently, being anxious to obliterate any unfavorable impression of intentional rudeness, Mr. B. invited the Minister to dinner. Mr. Sartige declined the honor, and afterwards took occasion to express his disregard of the pacific disposition evinced by Mr. Barney. He also practised annoyances of various kinds, which are given in detail in Mr. Barney's letter—such as lighting a cigar at the chandelier at Senator Davis's hall, firing guns at rats and cats on Sundays, etc. Mr. Barney having an acquaintance with Prince Jerome Bonaparte, now President of the French Senate, reported this conduct of the Minister to his Government, and at the same time addressed a copy of the statement to Mr. Sartige, holding himself (Barney) accountable for any personalities therein contained. Mr. Barney ends his letter to the President in this manner:—  
"Mr. Sartige has since appealed for protection to the Government, which was entirely unnecessary, as he has twice been assured by letters of the sanctity of his person; nor would the sanctity of refined social intercourse be invaded by the charge of even a hostile look, much less a word, at the seat of Government, nor elsewhere, unless solicited."

Cuban Prisoners.  
LIVERPOOL, May 5, 1852.  
My DEAR SIR:—Will you please to insert in your estimable journal the following lines:—  
On the 24th ult., after having tried, for a month, the most assiduous intrigues, the Cubans, D. Alejo Yznaga Miranda, D. Ignacio Belan Perez, D. Juan O'Rourke, and the Hungarian Major Don Louis Schlessinger, made a miraculous escape from the fortress of Cofia, Africa. They were condemned and sent to that fortress for the late political events which happened in the island of Cuba, and they succeeded, in spite of the vigilance of their guards, in obtaining their liberty. They happily arrived at Gibraltar, whence they departed for Liverpool, on board the steamer Geneva, where they arrived on the 3d instant. They are preparing to leave this city and go to the United States, where the sympathy of many American hearts and lovers of liberty are waiting their arrival.
